Attention: IDN ccTLD Fast Track Request

Subject: Letter of Support or xn--4dbrk0ce/ישראל. request to ICANN Fast Track Process.

This letter is to confirm that the Ministry of Communication of the State of Israel fully supports the Fast Track request to ICANN conducted by Israeli Internet Association ISOC-IL AN 580299534 for the string [A-label/U-label] to be used as an IDN ccTLD representing the State of Israel on the Internet.

It is further confirmed that the name is being sought through the ICANN IDN ccTLD Fast Track Process and that the Israeli Internet Association ISOC-IL AN 580299534, is willing to accept the conditions under which the string will be available as outlined in the Final Implementation Plan for the IDN ccTLD Fast Track Process.

In order to dispel any doubt, I would like to state that the aforementioned does not refer to the matter of national registry.

Sincerely,

Netanel (Nati) Cohen

Director General
Ministry of Communications
