Aliyah Grant

First payment

After the completion of the Naale program and receiving the Aliyah certificate

Second payment

After the release from army service (it is possible to receive the payment over the course of a year after release).

Army Service

Throughout your army service, you will receive the Lone Soldier grant from the Ministry of Aliya and Integration (if your parents did not make aliya). After your release from the army, please contact the Ministry of Aliya and Integration in order to extend your rights as olim.

Maatefet - Student Support

Personal and social guide on campus, trips all around Israel, tutoring, psychological and social support and more

Additional help from the Ministry of Aliyah and Integration

Funding of professional courses and assistance in opening a business. You can contact your klita advisor from the Ministry of Aliyah and Integration.

Tuition assistance - University tuition fees

The Ministry of Aliya and Integration provides a scholarship at university tuition rate.

Scholarship for degree studies/ Practical Engineering / certificate studies

According to the duration of the standard study track

*Additional payments such as registration fees, security, library use, transportation to campus, and payment for the Student Union are not included in the tuition assistance.

*Students that receive tuition assistance for over 2.5 years must participate in the

volunteering program "Shachak"

<https://www.shahak.me/>

TAKA
תק"א

TAKA

TAKA - A pre-academic program.
Duration of the program - 5 months.
In the program, different courses are taught, such as all levels of academic Hebrew (including advanced levels), English, academic writing, preparation for academic studies, and preparation for the "Yael" test in order to receive exemption from Hebrew.

Personal Account

You are welcome to contact your personal integration advisor online about different topics- inquiry and confirmation of received payments, viewing a variety of received assistances up until now from the Ministry of Aliya and Integration, and even to send in documents and statements.

Receiving personal, professional consultations on choosing a study track

The Israel Student Authority offers career aptitude and consultation services in different languages done by leading advisors in the field.
