A file has been opened against you at the Execution Office

You should know that the State of Israel is granting you a **one-time** window of opportunities within the framework of the Coronavirus legislation, to pay your debt under improved terms.

Pay your debt now and avoid interest and attachments.

Is the sum of your debt lower than 50,000 NIS? Are you finding it difficult to pay your debt in full?

You have an opportunity to sign up for **the Special Arrangement Payments Track** and save hundreds and even thousands of shekels!

How can you sign up for the Special Arrangement Payments Track?

1. **You must pay the first payment** - within 45 days from the date you received the Warning (the sum of the payment in the special arrangement payments appears in the Warning form).
2. **You must file a request to be recognized as a "paying debtor"** - after making the payment and no later than 45 days from the date of service of the Warning.

After the request has been approved and as long as you comply with the payments arrangement, you can enjoy the following benefits:

1. **A reduction of the accumulated interest** on the fund, during the time the file is kept, **by 50%!**
2. **You will avoid an extra payment** of the difference of the file opening fee.
3. **You will save the payment of attorneys' fees.**
4. **A stay of proceedings** - no recovery proceedings will be instituted against you in the file.
5. **The information about the opening of the file against you will not be reported to the database of Credit Register.**

It is important to make the payments regularly, otherwise the arrangement will be revoked and you will not be able to enjoy the abovementioned benefits.

Please note, if your debt is higher than 50,000 NIS, you can still enjoy the benefits set out in detail above if you pay your debt within the number of days stated in the Warning that was sent to you and which are set out in detail the Information Letter for the Debtor.
