Daily Report: Civilian Assistance to Gaza Operation "Protective Edge"

Yesterday, on August 26th, a long-term ceasefire between Israel and Hamas took effect at 19:00 after 50 days of fighting. Prior to the 19:00 deadline, Hamas shot a massive volley of mortars and rockets across southern Israel. Two Israelis were killed and several more injured by a mortar attack.

On August 26th, **217 trucks** were scheduled to cross into Gaza. However, due to the security situation and Hamas rockets, only **75 trucks** arrived at Kerem Shalom.

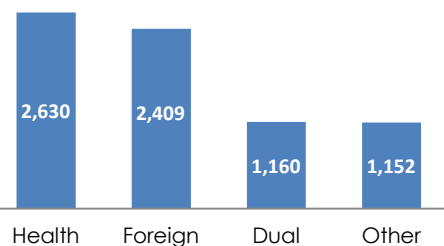

On August 26, **75 trucks** carrying **1,692 tons** of goods and aid entered Gaza via Kerem Shalom Crossing. Among the trucks that entered were:

- **54 trucks** carrying **1,020 tons** of food.
- **2 trucks** carrying **30 tons** of humanitarian supplies.

Goods entering the Gaza Strip through Kerem Shalom

Erez Crossing

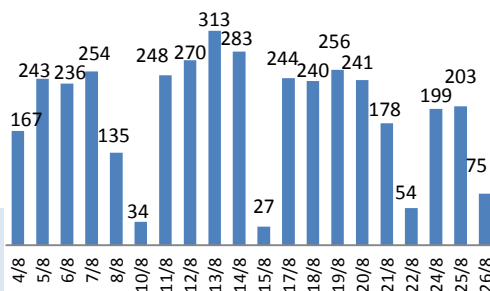

4,243 Total Entries into Israel
3,044 Total Exits to Gaza

Total of **268 ambulance transfers** through Erez. **3** on August 26.

If you or an affiliate wish to **donate humanitarian supplies**, please contact Sabah Nabulsi nabulsiabah@gmail.com at the Palestinian Customs Agency. **COGAT will assist in completing the process after the request has been filed.**

Kerem Shalom

Total of **5,779** trucks entered via Kerem Shalom since July 8th.

Total Energy Import to Gaza

4.58 million liters of **diesel** for the power station, **1.73M** liters for UNRWA.

9.8 M liters of **fuel** and **4.26 M** liters of **benzene** for transportation.

4,843 tons of **gas** for domestic use.

August 26

86 tons of **gas**

140 K liters of **fuel** for transportation

35 K liters of **benzene** for transportation.

Infrastructure

As throughout the operation, COGAT has been working with international organizations and Palestinian authorities in order to repair critical infrastructure as expediently as possible.

Because water and sewage functionality is dependent on electricity, restoring electrical power has been a major focus. As of August 26, **nine of the ten feeder lines from Israel to Gaza were working.**

86 Infrastructural repairs total

55 electrical repairs.

18 water supply repairs.

6 sewage repairs.

7 communication repairs.

4,591

Rockets since July 8th
