

נספח ד – הצהרה לאי ביצוע פעולות השחתה

Annex D - Declaration regarding Non-Mutilation

I, the undersigned, certified veterinarian hereby certify that: The dog / cat* in this certificate was not harmed, tattooed¹, injected with colors, or colored, in any way, with colors or dyes that penetrate live tissue and has a congenital bobtail (shortness or absence of tail) since:

1. The dog is from the following breed² (or mix of these breeds)*: Australian Cattle Dog / Australian Shepherd / Austrian Pinscher / Bourbonnais Pointer / Brazilian Terrier / Brittany Spaniel / Croatian Sheepdog / Danish - Swedish Farm Dog / Jack Russel Terrier / Karelian Bear Dog / Mudi dog / Pembroke Welsh Corgi / Polish Lowland Sheepdog / Pyrenean Shepherd / Savoy Sheepdog / Schipperke / Spanish Waterdog / Swedish Vallhund.

OR*

2. The cat is from the following breed: American Bobtail / Japanese Bobtail / Kurilian Bobtail / Manx / Pixie-Bob

AND

3. I inspected the following original document of the dog / cat*, identified by microchip number _____:

A lateral and dorsoventral X-rays of the tail (terminal vertebrae clearly visible) dated (DD/MM/YYYY) _____ indicating that the tail was not docked artificially

OR*

(for dogs only) Genetic test results dated (DD/MM/YYYY) _____ indicating that the dog is heterozygous to the Bobtail (BT/n) mutation.

Date: _____ Name and title of signatory: _____

Stamp and Signature: _____

*delete as appropriate

¹ A concealed tattoo for the purpose of pedigree marking or sterilization is not for aesthetic purposes and is therefore permitted under this and do not require this addendum.

² Dogs with screw tails of the French Bulldog / English Bulldog / Boston Terrier breeds are not required to present this declaration OR dogs with Import Permit for dog of dangerous breed are not required to present this declaration.
